

2023-24 Dependent Verification Form

Student Name _____ CCC ID # _____

Your Free Application for Federal Student Aid (FAFSA) was selected for a process called "Verification." CCC is required by federal regulation to collect documentation to verify that your FAFSA information is accurate before awarding Federal aid. If there are differences between your FAFSA and your financial documents, the Financial Aid Office will make corrections to your Student Aid Report (SAR).

1. List the people in the parents' household. Include:
 - The student.
 - The parents (including stepparent if parent is remarried) even if the student doesn't live with the parents.
 - The parents' other children if the parents will provide more than half of the children's support from July 1, 2023 through June 30, 2024, or if the other children would be required to provide parental information if they were completing a FAFSA for 2023-24. Include children who meet either of these standards, even if a child doesn't live with the parents.
 - Other people if they now live with the parents and the parents provide more than half of the other person's support and will continue to provide more than half of that person's support through June 30, 2024.
 - If more space is needed, provide a separate page with the student's name and ID number at the top.

2. Number in College: Include information about any household member, excluding the parents, who is, or will be, enrolled at least half time in a degree or diploma program at an eligible postsecondary educational institution any time between July 1, 2023, and June 30, 2024, and include the name of the college. We may require additional documentation if we have reason to believe this information is inaccurate.
