

DRUG AND ALCOHOL ABUSE PREVENTION PROGRAM

Annual Notification

Central Community College (CCC) is committed to maintaining drug-free campuses. Under the Drug Free Schools and Communities Act (DFSCA), as an Institution of Higher Education (IHE), we have implemented programs to prevent the abuse of alcohol and use, and/or distribution of illicit drugs both by CCC students and employees either on its premises and as a part of any of its activities. This annual notice includes the following information:

1. Standards of conduct that clearly prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees;
2. A description of the legal sanctions under local, state and/or federal law for the unlawful possession or distribution of illicit drugs and alcohol;
3. A description of the health risks associated with the use of illicit drugs and alcohol abuse;
4. A description of any drug or alcohol counseling, treatment, or rehabilitation or re-entry programs that are available to employees and students; and
5. A clear statement that the institution will impose sanctions on students and employees and a description of those sanctions, up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct or law.

1. Standards of Conduct

Students

Students that attend Central Community College are expected to uphold and abide by certain standards of behavior that are included in the CCC Code of Student Conduct. In addition to local, state and federal laws, our Student Code of Conduct prohibits unlawful possession, use, or distribution of illicit drugs and alcohol by students on the College's property or as part of any of its officially recognized activities.

Potential sanctions for violations of drug and alcohol standards are outlined in Section 5 of this document. A full description of all CCC's student sanctions can be found within Section 9 of the Code of Student Conduct located at <https://www.cccneb.edu/globalassets/documents/student-life/policies-and-procedures/codeofstudentconduct.pdf>.

Drug Abuse

The following is a list of commonly used drugs and the risks associated with their use.

- 1.

Drug and Alcohol Testing Policy

Pursuant to the Drug-Free Workplace Act and the Drug-Free Schools and Communities Act, Central Community College will require drug and alcohol tests for employees and students in circumstances where reasonable suspicion exists.

Central Community College promotes a drug free campus and drug free athletic programs and requires all student-athletes to be potential participants in a random drug testing program. It is the purpose of CCC's random drug testing and education program to:

- Educate student-athletes about the possible consequences of illegal drug use.
- Prevent drug use and any negative consequences that come from drug use.
- Assist in providing resources for counseling to students who have specific needs.

Student-athletes must complete and sign the consent form for random drug testing prior at the beginning of the fall semester and prior to any athletic competition and will be subject to random testing throughout the course of the academic year. For details related to drug testing of CCC student-athletes please refer to the CCC Athletic Handbook.
